

Senegal – Big Game and Marlin fishing from £2480

Blue water fishing: ~ During the summer May to June and Sept ~ Dec, huge numbers of Migratory Marlin up to 1200lb and Sailfish up to 120lb run down the Senegalese coast, along with Dorado, Tuna, Albacore, Wahoo and Sharks. This adds up to an excellent sport fishery. Dakar and Saly offer excellent access to deep water just off shore allowing access to the Blue water within 4kms of the dock, this means with our fast 9mt boats you are fishing within a maximum of 25 mins. Brand new international class gear has been used to equip all the boats and our two excellent Senegalese Guides are skippering the boats. Large Sailfish and Marlin abound in season and 10 - 12 strikes a day is not unusual. The prices are competitive with any sport fishing destination in the world, and a lot cheaper than most. We offer two different areas to stay with several different hotels to meet all tastes.

Dakar

Senegal's capital offers great accommodation within 10mins drive of the airport. It's great for lads groups and those on a time limit. Almadies is the area where the French Expats call home and as such it has a great selection of good restaurants, nice bars and lively clubs. Being just 5 mins cab ride from the harbour makes it ideal for a short fishing holiday. The area is safe and friendly.

Saly

Saly is Senegal's major tourist centre, it offers a wide range of hotels from Beautiful 5 stars to Budget Guest houses, it has a fantastic beach and a good range of Bars and restaurants. Just one hours transfer from Dakar airport it is ideal for couples or families alike.
