## Florida's Key West.

### Known to many as the Sport Fishing Capital of The World.

With the warm waters of the gulf stream just a few miles offshore, Florida keys boat rentals, Scuba diving, snorkelling and fishing on the coral reefs from 5-90 feet deep all along the Florida Keys island chain, and the skinny

waters of the Florida Bay back country a short boat ride away, it's easy to see where Key West got it's name. Anglers the world over travel to sample the fabulous variety of fishing in the Florida Keys. This is one of the only areas which can offer such a huge diversity of sport for the travelling angler.

**Blue water fishing** out into the Gulf stream offers the chance of Marlin, Sailfish, Tuna, Dorado, Wahoo, and many more . This is adrenalin fuelled sport fishing at its best.

**Reef and Wreck fishing** will yield hard fighting Snapper, Huge marbled groupers, Sharks, Jack Crevalle, Barracuda, Amberjacks and a selection of other hard fighting exotics.

**Inshore Light tackle** Shallow water bait and lure fishing for Sharks , Tarpon, Barracuda, Jack Crevalle and Cobia.

**Back country flats fishing** , this is the preserve of the fly and lure fisherman, poling quietly through Sea grass and Mangrove areas sight fishing for Bonefish, Tarpon and Permit has to be one of the suspense filled fishing methods available. All anglers should experience wading , hopefully unseen to cast a fly to a Permit dogging a feeding stingray.

## **FISH/ CHARTER INFORMATION:**

**Tarpon** – Year Round – Peak Months Mar-Aug

**Bonefish** – Year Round

**Permit** – Year Round – Peak Months Mar-July

**Redfish** – Year Round

Charters include appropriate fishing licenses, all bait, tackle, and fishing equipment (fly or spin), and usually pick up from your hotel by boat.

## **Getting there and Accommodation.**

The simplest route to the Keys is from London Heathrow to Miami International Airport, although we are happy to quote from your local airport subject to availability.

A hire car is usually a good idea (again quoted for) and works out cheaper than using the airport bus transfer service, The Florida Keys

are easy to get to and only a short journey. The hotels we use are all carefully selected by us to provide excellent accommodation at an affordable price for all budgets, with pick up by boat for your days fishing usually at the front of your hotel!

Our hotels offer a huge variety of restaurants to suit all tastes, using local produce extensively including freshly caught fish.
